

TRAINS CAN'T STOP QUICKLY, BUT YOU CAN.

SunRail trains are shorter, quicker and quieter than typical trains. To ensure your safety and the safety of others, please exercise caution and be certain that you and your vehicle are behind the white line and clear of the tracks. Trains can travel on the tracks at any time and from any direction. **Remember...the TRAIN! is coming! Be Smart. Be Safe.**

Use Crosswalks & Never Place Objects on Tracks

Do Not Stop on Tracks, Keep Behind White Line

Always Look for a Second Train

Avoid Distractions Near Tracks

Report Suspicious Packages and Actions

Watch Your Step & Never Board a Train in Motion
