SunRail's Southern Expansion Features "First 50 Free" *Promotion Covers the First 15 Days of Service*

Osceola and Orange counties - SunRail's new Southern Expansion is set to open the end of this month. In celebration of this major milestone, SunRail is offering a "First 50 Free" promotion to riders whose trip originates at any of the four new southern stations starting Monday, July 30, and running through Friday, August 17.

The promotion is easy. Simply check-in at the designated "First 50 Free" promotional gate at either the Poinciana, Kissimmee, Tupperware or Meadow Woods stations, and if you're one of the first 50 riders for each train, your roundtrip is free. Tickets may still be purchased for any train, but if you want to secure your free SunRail roundtrip offer, make sure you arrive early.

SunRail's Southern Expansion covers 17 additional miles and adds four new stations; expanding the current 32-mile service to 49 miles and 16 stations served. SunRail is moving people throughout the region by providing work and leisure opportunities; connecting communities. SunRail can make the daily commute fast, easy and affordable, as well as less stressful.
