CHOO CHOO TO THE ZOO

Animal lovers have a new way to visit the Central Florida Zoo & Botanical Gardens throughout the summer with "Choo Choo to the Zoo," a collaborative effort between SunRail, the Central Florida Zoo & Botanical Gardens, the City of Sanford and the Sanford Community Redevelopment Agency (CRA).

Leisure travelers may now take SunRail to the Sanford station where they will find a free, "Choo Choo to the Zoo" themed shuttle waiting to transport them to the front gate of the Central Florida Zoo & Botanical Gardens in less than 15 minutes. The shuttle then makes a second stop at the Welcome Center on First Street in Historic Downtown Sanford. Return shuttle times are timed with scheduled SunRail departures from the Sanford station and posted for customers at the drop off areas at the Zoo and the Downtown Welcome Center. The shuttle is funded completely by the Sanford CRA.

"We are excited to give our leisure riders more reasons to experience summer on SunRail and to work with these partners to provide our commuter train as a means of accessing more of the great amenities and destinations in Central Florida," said SunRail CEO Nicola Liquori.

"The Sanford CRA has made a commitment to providing free transportation from the trains to the City," said Charles Davis, Chairman of the Sanford CRA Board. "We believe this partnership with the Zoo and SunRail will enhance the downtown Sanford experience. It's time residents get reacquainted with all Sanford has to offer."

The pilot Zoo shuttle program will operate from June 1 to September 1, 2017. Also during this time, Zoo attendees can show their SunRail ticket to receive **20% OFF their admission to the Zoo.**

For additional information and train times visit SunRail.com.
