The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Roger Masten, at least seven days in advance of the meeting, c/o SunRail, 801 SunRail Drive, Sanford, FL 32771; or by phone at (321) 257-7161; or by email at [roger.masten@dot.state.fl.us](mailto:roger.masten@dot.state.fl.us).

Questions? Please contact Allison Colburn of the Florida Department of Transportation at [Allison.Colburn@dot.state.fl.us](mailto:Allison.Colburn@dot.state.fl.us)/386-943-5479.

Please be careful around trains, railroad crossings, and while at station platforms. Be smart. Be safe. For more information about SunRail, including fares, schedule and station locations, please visit [www.sunrail.com](http://www.sunrail.com), or download the SunRail app.
