Upcoming Railroad Crossing Work to Occur Between DeLand and Poinciana

DELAND, Fla. – The Florida Department of Transportation (FDOT) will conduct necessary track maintenance to the Central Florida Rail Corridor (CFRC) between DeLand and the Poinciana SunRail Station on July 16 and July 17.

Work at the railroad crossings listed below will occur intermittently between 9 a.m. and 9 p.m. on both days. Motorists should be advised of potential travel impacts at these crossings during this timeframe. Potential impacts at each crossing are estimated to be between 30 and 90 minutes. Drivers are encouraged to seek alternate routes in the area.

- Old New York Avenue
- West Beresford Road
- Alexander Road
- Highbanks Road
- Egrets Landing Drive
- East Orange Avenue
- State Road 434
- State Road 427
- Merritt Street
- New England Avenue
- Crestridge Drive

Media inquiries should be directed to the FDOT District Five Communications Office at FDOT-D5Comm@dot.state.fl.us or by phone at 386-943-5593.

The schedule is subject to change due to weather or unforeseen conditions.

Please be careful around trains, railroad crossings, and while at station platforms. Be smart. Be safe. For more information about SunRail, including fares, schedule, and station locations, please visit www.SunRail.com, or download the SunRail app.
