Upcoming U.S. 17-92 Lane Closures for SunRail Tree Trimming

MAITLAND, Fla. – The Florida Department of Transportation (FDOT) will conduct necessary tree trimming to the Central Florida Rail Corridor (CFRC) at the bridge over U.S. 17-92 in Maitland. To perform this work, lane closures will be necessary in the area on Saturday, November 5.

The right lane of northbound U.S. 17-92 will be closed November 5 from 7 a.m. to noon. The right lane of southbound U.S. 17-92 will be closed November 5 from noon to 5 p.m. Once the work in the northbound lane is completed, the southbound lane closure will be set up.

Media inquiries should be directed to the FDOT District Five Communications Office at FDOT-D5Comm@dot.state.fl.us or by phone at 386-943-5593.

The schedule is subject to change due to weather or unforeseen conditions.

Please be careful around trains, railroad crossings, and while at station platforms. Be smart. Be safe.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
